

## Arigato, Rebecca sensei!

Rebecca Barnes worked two years as an ALT at Yuki 2<sup>nd</sup> SHS. She always created 'fun' English language materials for us. Thanks to her, we could enjoy learning English. In the ICC, she gave us good opportunities to learn cultures and languages of foreign countries. We interviewed Rebecca about Japan

レベッカ・バーネス先生が結城二高での2年間の勤務を終えました。いつもおもしろい英語の教材を考えてくれ、楽しい英語の時間を過ごすことができました。ICCでは、外国の文化や言語に触れる機会を作ってくれました。レベッカ先生に日本の生活について、インタビューしました。みなさん、レベッカ先生は次の質問に答えているでしょう!? 掲示板に日本語バージョンがありますので、ご覧ください。

**ICC : What is your favourite Japanese food? (好きな日本食は何ですか?)**

**Rebecca:** My favourite food is Sushi! I especially love tuna and salmon. I also like Zaru Soba in the summer, with lots of wasabi and Nikujaga in the winter!

**ICC : Where do you like best in Japan? (日本でのお気に入りの場所はどこですか?)**

**Rebecca:** Well, Yuki is my favorite place obviously! But I have loved everywhere that I have visited so far in Japan! Sapporo Snow Festival was great fun and I enjoyed skiing in Nagano. I loved Kiyomizudera in Kyoto and seeing the deer in Nara. I think Enkakuji in Kamakura is very peaceful and the floating torii gate at Miyajima was very moving. I am looking forward to visiting many more places in Japan, especially Fukuoka and Okinawa.

**ICC : What surprised you most in Japan? (日本で一番驚いたことは何ですか?)**

**Rebecca:** I think everything in Japan has surprised me!! When I arrived in August, I was surprised that the weather was so much hotter and more humid than I expected. Wherever I have travelled, I have been surprised by how kind and helpful everyone has been to me. I think I have probably seen something new or surprising every day for 2 years! It has made my life here so much fun!!

**ICC : What has been the most difficult thing for you in Japan? (日本で最も困ったことは何ですか?)**

**Rebecca:** Being far away from my friends and family and the places and food that I love in England has been hard for me. Not being able to understand or speak Japanese, for example going shopping and driving are also hard if I have to read kanji and doing anything at the bank or post office can take a long time! But, I have always had a lot of help from kind people and it has been a good way to try to improve my Japanese more quickly!!

**ICC : What is your best memory? (日本での一番の思い出はなんですか?)**

**Rebecca:** Well, I will definitely never forget seeing the sunrise from the top of Mount Fuji! Most of my best memories though are of my time in school - the fun classes, trips and festivals and joining in club activities or special classes and learning a lot of new things! I have been lucky to meet so many lovely people, and I will never forget my friends in Ibaraki.

**ICC : Please give us Messages! (メッセージをお願いします!)**

**Rebecca:** Always have a dream! Whatever it is, believe in your dream and work hard to make it happen. Have great hopes for your future and do your best every day! Thank you for everything, I've had a brilliant two years in Yuki. I hope that you will carry on enjoying learning and using English and having fun in class - I know that if you work hard then you will get better and better! **Good luck!!**

Rebecca is always learning new things and never gives up. She is now working as an ALT in JHS of Hiroshima. **Good luck, Rebecca sensei!**

レベッカ先生はいつも新しいことに挑戦しています。今は、広島県の中学校でALTをしています。

がんばってくださいね! レベッカ先生!

### Enjoy cooking!

7月のクラブで、レベッカ先生が『トライフル』と『チョコレートシェイク』の作り方を教えてくださいました。『トライフル』はイギリスの家庭のデザート。直訳は「さいいなもの」という意味。ありあわせの材料、ゼリーやフルーツ、カステラやクリームなどを重ねていくと...美味しいデザートのできあがり!

『チョコレートシェイク』はとても簡単! 材料をブレンダーやミキサーで混ぜるだけ! 右の材料を参考に、是非作ってみてください。バナナやチョコレートシロップの代わりに、ストロベリーやブルーベリーを入れれば、ベリーシェイクに! オリジナルを作ってみよう!!

### Chocolate shake

#### Ingredients 材料

- 3 scoops of vanilla ice cream
- 3-4 tablespoons of chocolate syrup
- 1/2 cup of milk
- banana

## No Littering! ゴミを捨てないで!

Students who belong to the volunteer club took part in 'Volunteer Trekking' in Oku-Nikko on August 2<sup>nd</sup>. 'Volunteer Trekking' is a summer cleaning event of Yuki 2nd. Cool weather and a quiet trail lined with numerous beech trees made for a pleasant trek and all the students did their best in picking up litter.

8月2日、ボランティア部の生徒達は奥日光で『ボランティア・トレッキング』に参加しました。『ボランティア・トレッキング』は結城二高、夏恒例のゴミ拾いをする行事です。たくさんのブナの木に囲まれながら、トレッキングを楽しみ、そしてゴミ拾いをしました。
